

Westing Rain Jacket Women

Stay dry and comfortable through every downpour with the Westing Rain Jacket. Designed for both outdoor adventures and everyday commutes, it's made with Tenson's waterproof and breathable MPC Plus membrane (WP 10,000 mm / MP 5,000 g/m²/24h) and fully taped seams to keep moisture out. The jacket features practical details such as an adjustable hood, zippered pockets, mesh lining and adjustable cuffs for a comfortable fit in any weather.
